*Families and school, working together to help local children succeed*

Dear PPF supporter,

30th October 2019

We hope you will join us for a **celebratory get-together** with The Elmgreen School Parents and Carers Council at The Elmgreen School on **Saturday 23rd November from 10.30-12pm**.

We'll update you on the work done over the year at the Great North Wood Education Trust, The Elmgreen School itself and by the PPF as The Elmgreen School's charitable foundation. We will be welcoming any ideas you may have for the year ahead.

There'll be a short business meeting, our fourteenth Annual General Meeting followed by a chance to do some "Blue Sky thinking" - meeting other local parents and carers to find new and creative ways to help support our children's education. Some of us will have children at Elmgreen, some will have children coming to Elmgreen and others will be local parents and carers who'd just like to find out a bit more about the PPF. **(As always, there'll also be delicious light refreshments to welcome you!)**

We will also have the chance to elect anyone who'd like to put themselves forward as a new director to join the PPF Board of Directors. A number of people who have served on the PPF board of directors for many years will be stepping down in the next year.

**So please consider getting involved and helping shape the future direction of the PPF.**

Being a PPF director is a great way of being more involved with the school without requiring as much of a time commitment as being a governor. Everyone is very welcome to get involved.

**Currently there are disproportionately fewer people from black and ethnic minorities, compared to the school population. We would love to help redress this, as we want to ensure that the PPF - as the school's charitable foundation - is run by a board which reflects our school community. We are also keen to involve more families with younger students.**

**If you'd be interested in putting yourself forward as a PPF director feel free to call/e-mail Kate Scrase, the Elmgreen Chair of Governors and a PPF director, for more information on 07976 356268 or [katescraze99@gmail.com](mailto:katescraze99@gmail.com)**

If you do want to put yourself forward please return the Directors nomination form to arrive by **5pm on Friday 15<sup>th</sup> November 2018**.

We enclose the AGM notice and Directors nomination forms. If you wish to see a copy of the accounts, (including the report of the directors) or if you have any questions do please get in touch. We look forward to seeing you on the 23rd November
